“ *Momma I love you so much. My life will never be the same. You have always been my best friend and you always will be! For everyone that had the pleasure to be touched in one way or another by knowing my mother, I am so sorry for your loss. My Momma was the most beautiful person, inside and out. She was my angel was she was here on earth and she is now officially my Angel in Heaven and will watch over me forever! I hope you all find comfort knowing that she has gone home and will never feel pain again.*
