“ To Jon, Dawn, and Marilyn, I don't honestly know what to say. I'll never forget the times she too Jon and I to skateparks or parking lots so we could skate. Or putting up with us coming home covered in mud from head to toe. I can remember calling to see what was for dinner at your house and begging my mom to drop me off. I've been away from Umatilla for a long time but those memories have never been far away. My thoughts and prayers are with you. Stephen
