“ Dear Michael, Kathy, Richard and Bryan.

Please accept our most passionate condolences on the loss of your dear mother. Our hearts are with you all at this disheartening time. It is never easy, as you already know.

Please know though it has been a very long time since I have seen Aunt Marilyn, we have had her in our hearts and prayers since we received the news of her health situation when we met in July.

Furthermore, I have been thinking about all of the wonderful times with your mom, and your family when we were children growing up in Neptune. Remembering the Holiday's, and play times at your home - and all the happiness and fun that we all had together! We are with you all! Much Love, Patrick - Ramona - Natalie - Travis - Jared
