“ *Dearest Lynn - I only met your Mom once; from that brief encounter I could tell there was a special spark within her. A spark that inevitably will live on in the lives of you and your sister. You and your entire family are in our thoughts and prayers. Please let us know if there is anything at all we can do up here to make this difficult time a little easier. Your friends...Chris and Terry*

“ *Lynn Your Mom's brightness and joy will be something I will remember. She always had a smile and it was hard not to smile in her presence or even at the thought of her each time she and Dad sent a gift. She will live on inside you all. My thoughts and prayers are with you and Dad and Lori. Alice*
