“ *To Bob, Mike, Jeff and families, I still am having trouble knowing that Marilyn is no longer with us. You can't know how many flashes are going through my mind of all the great times we had together and all the great times with you all. I am saddened that a great friend of mine is not here anymore. She was a great friend and loved her family (all of you) so much. When we talked it was always with pride in all that you were to her. I will be in touch soon. Please know my prayers and love are sent to you all. I wish I could be there to give you all hugs but I am sending as much love as I can from this corner of the world. What a blessing to have had Marilyn in my life.*
