“ *Dear Marilyn, I met Marion at Wilson Bros. in the early 90's. His sense of humor and his way of "telling it like it is" made me laugh more than once. He is a wonderful person. May God's peace be with you and your family. God Bless, Ed Dinger*

“ *To his children, grandchildren and great-grandchildren, I am so sorry about Marion's illness and passing. He was my uncle and we played together as children and were very close back then. I'm glad his suffering is over and he is strolling over heaven with his Saviour and many friends and relatives who have gone on before. God bless you and may you meet him again someday.*

“ Marilyn, I just wanted to let you know -you are in my thoughts and prayers. I am so sorry that I didn't get to see you both when you were up. I loved Marion because he was good, funny, and he made you happy. You are both family to me and I am sad for our loss, but I thank God that he was part of our life. I won't bother you with a phone call, just know you can call if you need me or want to simply talk.Love, Amber

“ We are deeply saddened to hear of Marion's passing. We knew him through Stock, and have fond memories of the many trips where Marion's darned funny personality made the day. Like the 5 hour long dinner...he ordered coffee and breakfast from the confused waitress "since I'm gonna be here all night". Or the "woo-woo" joke he circulated on the bus trip to the airport. He was a happy, funny, frank person and will be sorely missed in this world.
