“ *Dear Jan: Although our acquaintance with Marion was just recent and brief, she appeared to be a darling person. She will remain in our memories as lively as she is in this picture. Bless you Jan, and may you find peace in the thought that you loved and cared for her in her final years. You were the best daughter a Mom could hope for. In sympathy and love, Donna and Bob*

“ *Marion was a special lady who was lucky enough to have Jan as a devoted daughter and Norm an equally devoted son-in-law!! She deserved their love and that of her whole family!! My most sincere condolences and those of my Dad as well.. Donna*

“ Jan and Norm, Wow! What a woman! It has been an honor to know your Mom and to share her every day life. Her joy, love of life, of exploring life and all of the people in it was inspiring. Her sweet hand squeeze, a peck on the cheek and that everything included smile were a terrific greeting every day. Really, the concern that she had for other people was terrific and evident every day. Again, it has been an honor to know her and her family. Love, Holly
