“ I just want to express to Marishia's family and caregivers how sorry I am to learn of her passing. I met Marishia about 3-1/2 years ago when she needed a new van. She was a delight to meet and to work with. I will miss seeing her. My prayers are with her family.

“ Marisha, I will never forget our fun times working in the drive thru at USB with Sherry. We had some great times and you always made us laugh. I have always wished that we could turn back time and you not transfer to Mount Dora. May you rest in peace. I'm sure you are in heaven walking, running and dancing around. Doing the things you couldn't for the past 15 years!

“ Bucky, we are so sorry for your loss. I know that you realize that Marisha is finally free and has no pain. Her strong will is what made her fight as long as she did. I know you will miss her very much, but just know that it will get easier with time. You will always have her in your heart, as we have you in ours. Your adopted Mom and Dad.
