“ Twenty Seven years ago, in 1989, I found my brother Tom Shaw and made a trip from California to Florida to meet him. I not only had the good fortune to meet my new-found brother, but his wife Martha, his son John, and his mother-in-law, Marjorie Shuler. Marjorie and I became friends and so it has been for all these years. I was especially happy to have recently visited Marjorie in July of this year. She was a truly wonderful friend and we shared many telephone conversations over these years. I will miss her kindness, love and acceptance of my friendship to her. My sincerest sympathies to my dear brother, his wife and their entire family. Much love, Suzanne Shaw from Santa Fe, New Mexico.

“ I never met Mrs. Schuler, but heard many loving comments from her daughter Benita. So sad to lose a Mom, but so comforting to know she has gone to be with our Lord Jesus.
