“ Dear Bob and Kathy, I am so sorry for your loss. Aunt Marge will always hold a very special place in my heart. She was such a loving caring lady. She's the last of the Paulus kids from Jackson Street. I remember my Grandma Clarke talking about them walking to ice skate and sled on the south side of town, vacationing in a field along side Walloon Lake and the arguing over sharing clothes. I also will always remember her yummy desserts (which your dad wasn't suppose to eat). I knew that if I went across the street to visit some sweet would be offered! Your mom was always very special to my mom too. It's been 8 years since we were down and visited her in Florida, even then at 83 she was gracious and welcoming to me, my children and Mick's family. We both know she's now smiling and at peace with her Lord and Savior, along with your dad! All my love to your family! Dorothy Prins

“ sorry to hear of your mom's death. We were so cose as youngsters. Lived next door to,each other. She and Dottie were older than I (Doris ) but were always so close to me. Made me things in home ec. Wonder if Dottie is still alive We saw your Mom in Florida a couple of times. I remember she was so proud of you when you were born.

“ Dear Bobbie, I was deeply saddened to hear of Aunt Marge passing. My prayers are with you. I went through old photos last night after Paul told me and came across several of all of us when I was about 9 yrs old. Me and you on the cushion that you had and several fish holding photos. What a wonderful contribution to my childhood your folks were. Truly the end of an era. She was a true testimony and I know she will be sorely missed by your family. Having lost mom such a short time ago I can say that I truly feel your sadness. But they are all together now! Praise God they all knew and loved Him. Love, Sandra
