“ My family and I send our deepest condolence for you and your family, I work as a dispatcher at Silver Sand and worked with Mark for a little over 4yrs. He always found time to have a conversation with me & other co-workers, always trying to make someone laugh, occasionally when he was in the garage next to our office I would come out and bark like a dog just to make him jump and smile. In the short time I knew Mark and the laughs we had, it's enough to miss him for a life time. Mark you & your love ones will always be in our prayers. I will miss you. Rest my friend. Sonny Rivera

“ My husband and I want to give you our deepest condolence for your loss. We both had the opportunity to meet and work with him. My husband, Pablo, as a driver used to get his truck loaded by him when he was the "number one" loader man at Center Sand. I, while working in the office, would be running into him almost everyday; and he always had a nice and funny comment to get my attention making me smile and/or laugh. I always admired him for the love and care he would always show for his family: his wife, children and his lovely granddaughter. Mark was a very friendly individual; always smiling and making conversation with me and everyone in our office. I am sure he will be missed by all and everyone of us, at Center Sand. Our prayers are with all of you to help you alleviate this terrible pain and suffering.

Even though we don't see you all often we fill the heart ache, but do not try to know the loss and pain of Husband to Leigh, Father to Chassidy, Mark JR, Gabrielle, Grandfather to Kyleigh, And other family. We will miss Mark and his laughter and his friendship over the years. He will always be in our hearts as he is flying with Angels now.

“ I was so sad to hear about your loss. I went to school with Mark from Kindergarten through High School graduation at Spring Hill, Arkansas. He was such a sweet young man. He also had such a friendly smile on his face. I remember seeing him at our 10th year class reunion. He had his family with him and was beaming with pride. I will keep your family in my prayers.
