“ i am so sorry for your loss. mark was my cousin and we moved to texas when i was little so i didnt get to see/know him except the couple of times i have been back since. my fondest memory of mark was making a 13 year old girl feel welcome when she went to spend two weeks with her granny....i think the way he treated me during that trip sealed the deal on what i thought of him...he was all about family and so funny....may God watch over you in the days to come. Mark, you are in my thoughts. Love, cousin michelle

“ Please accept my deepest sympathy. Know that God is there for us when we are saddened and hurt. Psalm 34:18 tells he "is near to those broken at heart." Put faith in his promise to one day reunite us with our loved ones on a restored paradisaic earth. (John 5:28,29) He always fulfills his promises. (Numbers 23:19)

“ Ladies, Our hearts and prayers are with you. Mark will always be remembered as a kind, caring man who was full of life. The boys still remember the time he stopped by and showed them all of the alligator heads he had in his work truck...they were thrilled! He will be missed.... Love, The Simmons Family

“ My deepest sympathy on the loss of your precious loved one. We know that the Father longs always to be reunited with the Beloved and that He loans them to us for but a little while. We take comfort in knowing that we are also separated from them but for a short time. I God bless and comfort you at this time, and always

“ Cindy and Sarah, My Prayers are with you both. Your Husband and Father knew my husband Wendell when we lived in Center Hill. He used to have lunch with Mark at the Potatoe Shack. I remember him coming home one time when Sarah had turned 5 and he told me he gave her a 5 dollar bill for her Birthday. But, I have also been very grateful for Mark after Wendell went to be with the Lord in December of 1997 to take the time to show me how to protect myself and tell me if I needed anything he and his family lived just down the road in Center Hill. You may not see someone all the time but you never forget the kindness someone shows you.

“ From time to time, the FWC has the Officers attend re-training in Quincey Florida, at the Training Center. This is where I met Mark. We were roommates and hit-it-off immediately. "Marky-Mark" listened to all my FWC stories and we have been friends since. The FWC and his family has suffered a great loss. Mark will be missed, but will live on, in our happy memories.

“ Cindy and Sarah, I remember Mark as a young new FWC officer when he came to Naples in '83. He was a regular visitor to our home and my children thought he was the coolest because he never failed to take time to play with them. He took time with everyone and was one of the sweetest, funniest, most sincere men I have ever known. I enjoyed getting to know you and Sarah when you came to visit us and my one regret is we did not see more of Mark and you when we were able. My family will always remember Mark with humor & love and feel blessed to have known him. God Bless you two and please don't hesitate to contact Jeff and me if ever we can do anything for you. Our hearts and prayers are with you. .
