“ I would like to extend my sincere condolences to Mark's entire family.

We first met Mark when he was delivering eggs to our grocery store in Edgewater. We developed a friendship and in later years he would come to my home to watch a World Series game. He loved the Reds and we would talk baseball all night long.

The news of his passing was a terrific shock. Every year around this time (with the World Series going on) I would think of Mark.

Yesterday I thought of him and tried to look him up to invite him to renew our Series visits. I could not believe that he had passed. He was a terrific fellow and I can't help but feel that my life was enriched by knowing him. He will be missed.

“ Dear Family, I am very sorry that you have suffered this loss, and hope that you will accept my sincere condolences. It seems so unfair that death should interrupt our lives at all. The Scriptures tell us that, "...[God] has put eternity in their heart." (Ecclesiastes 3:11) We were never meant to die but to live forever here on a Paradise earth. (Genesis 1:28) There is a beautiful promise found in the Scriptures that under God's authority, Christ Jesus will bring back to life, "all those in the memorial tombs." (John 5:28,29) You can be sure that this promise will be fulfilled (Isaiah 55:10,11). May you be comforted by this wonderful promise from God.
