“ I am sad to hear this news. I loved the time I was able to work for Mark. My thoughts and prayers are with you during this time of grief. He was the best boss I ever had. I have often wondered how he was doing over the years since I had to retire medically.

“ I first met Mark when his family moved to Wildwood and we were in middle school together. My great-aunt Margarite "Madam" Robertson drove the school bus Mark rode. I would ride the bus home to help my aunt feed her cattle or do other chores for her, Mark often joined in as did Steven and Scott on occasion. Mark and his brothers worked in my father's watermelon fields. We shared many good times, swimming in the spring on my aunt's property, camping, feeding hay, patching fence, dove hunting, etc.

*Rest in Peace, Mark.*
