“ Dear Magnus family,  
I'd like to express my condolence and deep regrets for your loss and share where I found comfort and hope at such a time as this. I found this in what I read in Jehovah Gods word the Bible at John5:28,29 for there it tells us we'll see our love ones again in the resurrection when Jesus brings them back here on earth and at Isaish25:8 we're told that this enemy death will be swallowed up forever. These scriptures along with others help me cope with my loss and get through each because now I know that I'll see my love ones again and so can you. I wanted to share this with you now when comfort and hope is needed hoping that this will help you also in some way for this is my purpose in sharing this with you at this tine and please know that I do share your grief and hope you'll feel free to let me know this helped. Hoping to hear from you. Sincerely,  
GM
