“ *My sincere condolences to Marlene's family on her passing. Marlene was my executive secretary, and as Director of Security and starting my Banking career, she was really much more than that to me. Her guidance and mentoring helped me lay the foundation for my 35 year Banking career . Marlene was extremely professional and well respected throughout the Bank. Marlene adored Jack and cherished her children and they were always in the forefront of her life. She always wanted nothing but the best for them and did whatever she could do for them. I would be remiss if I didn't mention Jeff, whom I had many conversations trying to assist him starting his professional career and we developed a meaningful personal relationship. Cherish the memories and be thankful that you were able to share so many meaningful years with her and the belief that you will see her again in a better place. Sincerely Jim Zardecki.*
