“ To an angel who's wings have carried you to the heavens to live in peace. We were so blessed to have you in our life's. Now that's left will be cherished memories. Forever in my heart, love your neice Toni. I thought I saw her face today In the sparkle of the morning sun. And then I heard the angel say, "Her work on earth is done." I thought I heard her voice today Then laugh her hearty laugh. And then I heard the angel say, "There's peace for her at last." I thought I felt her touch today In the breeze that rustled by. And then I heard the angel say, "The spirit never dies." I thought that she had left us For the stars so far above. And then I heard the angel say, "She left us with her love." I thought that I would miss her And never find my way. And then I heard the angel say, "She's with you every day."
