“ *Ann & Dick were the first people we met 13 years ago when we moved here. We both have many memories of visits, dinners & just enjoying them. Anns warm smile will be missed. It was always there to greet us. Skip enjoyed sitting with Ann watching Dick cut the lawn. Yes, you will be missed! Love Sue & Skip*

“ *I'm so sorry for your loss and my loss of a good friend. Ann was loved by all who knew her. We've been friends since we both moved into our Villages homes on the same day. Her smile and always open arms of friendship will be missed by me, even though I'm not in FL now.*

“ Ann was a wonderful story teller, sharing tidbits of her life with Dick and the children, their trips and various places they had resided. My favorite pertains to her bowling. It was the last night of league bowling and the secretary had all the standings, awards, prizes, etc. calculated for distribution later that day. Along comes Ann and lo and behold she picks up the 7-8-9-10 split!! Only the second most difficult split in bowling! (My "new forever hero".) Very few bowlers, including the pros, can lay claim to the 7-8-9-10. Long story short: The secretary had to recalculate of all her figures! Each time Ann told this story she had a "next time wait til league is over" chuckle. To Ann and her family: You all have a very special place in my heart. Love, Beverly Jo Muir
