“ Marsha, you were such a loving caring woman. You were a good, honest, person, and friend. I was so lucky to know you, work with you, and you were so I good to my kids, and cared for all of the kids and loved them all as if they were your own. You were a woman that loved your husband and your children so very much and spoke of them every chance you could. 😊 You will always be my friend and in my heart.. We always shared our tears and our laughs and always had open arms to hug one another. Thank you for being my friend, and loving me, and I will always love you. We will see each other again. God bless and keep you always. For George and your children, I am so sorry for your loss. You will all be in my prayers. She truly loved so many and was truly loved by them. You all were so lucky and blessed, and know she will always be with you.

“ Mrs. Bradshaw was an amazing lady. She loved the students she worked with including my son. I appreciate all she did for him in his younger years. I also had the privilege of working with her. She was a joy to be around and I know she will be missed.
