“ I met Rex at the gym. I loved his personality and how he was so friendly and we would ride the bikes next to each other and talk. One day I mentioned to him about needing a new rabbit pen. He showed up at my house with that Rabbit pen and extra wire. Now I every time I look at that rabbit pen I will remember my sweet friend you will be missed.

“ Rex was a man if many qualities. He could hold a conversation with the best. A man that had a listening for people with more empathy than most! I don't think he ever met a stranger. A friend to all and I will miss him coming into Anytime Fitness with all that positive energy for life. As Gid takes you home, I pray!
