“ We will miss you dearly Grandma. You were the best Grandma anyone could ask for and you told us like it was. Grateful for all the advice you gave me and I'm glad I got to see you one last time. At least you are with Grandpa again and are able to walk with Jesus and the angels in Heaven. Also you are no longer in pain. We love you. Always in our hearts.

“ The world just lost a real good person. May the peace and love of her God surround her loved ones and forever comfort them knowing that she smiles upon them from Heaven above once again hand in hand with Mr. Anderson.
