“ I had no idea that "Aunt" Martha had passed. A life long friend of my Mom and Dad until neither if my parents could stay on touch physically but carried her and "Uncle" Jack in their hearts and memories. Good times growing up with your family, visits to Ohio to see you, moving to Florida to find out you were there. More visits with my parents coming down, scrabble games, minestrone soup at your home, Jack's bumperstick on the back of his car, holding up of the two fingers, and so many more. I know this is late and the family may not see this but I am heart broken. I have lost my own mother and now you. I am glad you are with Jack and Johnny but I know that your daughters and their families will miss you. I keep your family in my prayers. Hugs and tears.

“ My prayers and thoughts are with you Tanis, Shelly, Cecilla and the rest of Martha's family. Martha has made the reunion that she knew one day would come when she would be reunited with her son and husband, whom she loved very dearly. I know she loved you three just as much! In my opinion, she left behind a legacy in Bushnell in the real estate industry and was greatly missed when she retired. Now she is home!

Thank you so much, Guy. You were a good friend to Mom and were there for us when we needed help.

*Martha lived right across the street from us in Bushnell for around twenty years . We played some games together, I went to church with her a few times and coupon parties. When we had hurricanes we would stay together . We also went to some Republican meetings with her . She was a great neighbor and we missed her very much when she moved to be close to her family . We pray for all your family that the Lord will embrace you with his love and grace . We wish we could be there but we don't drive very far from home now as we are now living in Fellsmere Fl . May God bless you all

Thank you, Guy, for that lovely note -- it's all so true. She's surely enjoying reuniting with Dad and John. Indeed, I'm sure she left a legacy in the real estate biz there -- she loved it!

Thank you, Carol and Howard, for your wonderful note. Enjoyed reading about the memories. You guys were so good to her -- keeping her safe during the hurricane and checking on her for us when we couldn't reach her. :)
