“ I am deeply sorry for your loss. Martha's sister, Jo, and I were teenage friends in Bedford Valley, Pa. Back in the '60's I spent many sleepovers at the McCoy's. They were a wonderful family and I cherish those memories. Martha was truly part of the "real" McCoy's.

“ I had always planned to look up Martha on one of my many trips to Florida. She sent me a DVD of The Villages but I never got there. I knew Martha when I worked at The Arc of Carroll County and remember her family, especially CR. So sad to lose your Mother!!

“ I was very sad to learn of Mrs. Staub's passing. Her daughter Sharon and I attended high school together and her son Charles was a friend to all of us at the Westminster Fire Department in MD. My thoughts and prayers are with Sharon and Charles and all of Mrs. Staub's family.

“ I hope someone prints these condolences for Charlie to have and hold on to so he can know how Aunt Martha Lou influenced many people. We have lost several McCoy's lately. Each one has fought. Each one has joined God and those who went before. Charlie, you are not alone. Your momma made sure you are being taken care of, and loved. Know your relatives all over the US love you. Thank you for making me such lovely pictures... and for letting your mother know it was okay that she join you father. It was a very selfless and adult statement from your heart. I AM PROUD of you. I wish I had been able to spend more time with you Aunt Martha Lou, so I could swap "teacher stories". I pray when I am not on this Earth, my former students remember my name with such fondness and adoration. You put up an amazing fight. Please hug Granddaddy, Aaron, Aunt Dot and Uncle Tommy for me.

“ I am so sorry to hear about Mrs. Staub. I was scared to death of her before I was in her class, but really got to like her when I actually had her as a teacher. She was a sweet lady who cared about her students. She will never be forgotten.
