“ I was a long time friend of Marty. He and I were coworkers on the Navy SEM program and established a long and enduring friendship during our work years and after. He at Williamsport and I at Crane in Indiana. I was shocked and saddened when I saw his obituary while verifying his address on the internet. I hope the family will see this and know that I care and will truly miss him

“ *My deepest condolences to Marty's Family. I worked for him and
with him for many years at GTE, he along with Hilda were two of the
finest people I have ever had the pleasure of working with. Although
I haven't seen him for many years this saddens me deeply as I am
sure you as his family have suffered a great loss. I will keep you in
my prayers....Jeff Salvatori*
