“ To my uncle Marv....i will miss you so much. Your passing is "bittersweet" , sad because i will miss your smile and sense of humor, your ultra kind heart, and knowledge you gave me in a wide range of things, from fishing and hunting,mechanical things, and even advice on family matters. But, happiness that you are not in pain, you are with our precious saviour,,and that you are with your mom( grandma...both of them), and sister( my mom)-you will be sorely missed

“ *Marvin was a very special friend and mentor for me. I miss him deeply, no one will ever know. Marvin was a very loving husband, father and friend to all. When I learned of Marvin's passing I placed my face in my hands and wept. There was so much I wanted to tell him but was unable too. I am now able to talk with Marvin and I know he hears me and I hope can forgive me. You are now sitting with God looking down on us all. God bless.*
