“ I worked with Mark quite often in the early 90's when he was working East Zone Property crimes. We worked a heavy equipment theft ring, Mark was always calm even during a bru ha ha we had at Perkins in Blue Springs one morning with a member of that theft ring. We went to Dallas and testified and had a great time on Federal dime. Mark was great to work with and a great Cop. May you RIP Detective Halstead. Thoughts and Prayers to family and friends.

“ Mark was a great detective and I loved working with him. After he left East Burglary, I stole his stapler marked with MH. I took it with me as I traveled through KCPD assignments and then on to teaching. I still have that stapler to this day. Mark was sure to point out it was the best stapler he ever had. Carol, I just saw this or I would have been there this morning as I moved down to The Villages recently. My thoughts and prayers are with Mark, you, and the rest of your family. Love, Cheryl Barrios

“ *Mark was very lovable. I liked him so much. I'm just sorry that I didn't get to know him even better and be around him more. God bless you, Mark.*
