“ *Our deepest condolences to the family and friends of Marvin. He was my mother Janet's cousin, and I remember well when I was young, all the cousin's club parties and events. Marvin was always the life of the party. Mom is about to be 94 but has advanced dementia and is barely there. It's very sad. I know she would be very saddened by his death. Even though we cannot attend the funeral, please know we are with you in spirit and thought. Our prayers are with you all. We will always remember Marvin and his great sense of humor and words of wisdom. All our love, Claudia, Mickey & Joey & Janet.*
