“ *My Precious Timmy. Words can never express the loss we your family, and friends are feeling at your passing. You have left a void that is so big and wide that it will never be filled by anyone else. Your time on this earth was way to short. People who knew you loved you dearly. You always brought a raye of sunshine to my life when we saw each other or we even talked on the phone. You are a very special Gem! I have always loved you, I will continue to love you. You my precious one will always live in my heart. In closing I want to thank Johnny for being there with you and for taking such good care of you. I never got to meet you. But from how Timmy talked about you to me, you were the best. I know this is extremely hard on you, but just know that with time it will get easier.It will never go away, but just easier to accept. I love you, and I hope that someday we will meet. To my sweet sister Mary,nephew James and niece Mary E. I love you all and I feel such sorrow at your loss.Even though I can't be with you all, you are in my thoughts and prayers.May the good lord Bless and Keep you.*

“ *My thoughts and prayers are with the Jennings family. At work you could always count on Tim to help. He was always very cheerful. I remember how excited he was to see his family, traveling out of town, and stories about enjoying the holidays especially Halloween. He will truly be missed and never forgotten. God Bless Tim & his family.*
