“ *To my sisters and Mama, We have been amazingly blessed by the Lord to have been given the chance to be a part of Daddy's life. He was a simple but fascinating man who loved his family more than anything. He brought much laughter and many smiles to my face and to the faces of my daughters. His grandbabies. He will forever be in my heart and as I think of all the memories I have had with him, I can't pick out just one one because each and every one is precious to me.*

“ *He was one of the best brother-in-laws a person could have. There was never a harsh word spoken out of his mouth. He loved his family and especially his children, they were his life. His wife was his soul partner. He was always kind to me and everybody he came in contact with. He was like is brother George never a cruel word to anyone. He will be missed by his family and everyone who came in contact with him. Rest in Peace Marvin you really had it rough for the past few years.*
