“ Mom, I will miss you very much, all the good times we had with family and friends, you were always there for me and my family no matter what it was big or small and you always had the right advice. I will miss our daily phone calls to see what's new and what's going on with other family members, I love you very much and I know all you wanted was to have peace in the family before you left us and I will try to make that happen. Love always and until we meet again your son Greg.
