“ I am sorry to read of Joyce's death. I didn't read about this until today. I enjoyed talking to her just a couple of weeks ago. To Carolyn, Brenda and Gail you have my sympathy. She is now meeting Eddie who thought the world of Joyce.

“ My heart is saddened to hear the news about your mother. We had such good times together when we were all young. I was just thinking about her this week. The last time I saw her was when I happened to drive by her home and she was sitting out in the garage in a lawn chair. Of course, I had to stop and visit. Life goes by too fast! But all of us who know HIM will be together again. My prayers go out to all of you and your family. May God put His loving arm around you and give you peace through all of this. My love to you all. “ Gail and Brenda, I am mothers 1st cousin. I am sorry to hear she passed away and sorry I am unable to attend the funeral. I know she will live by your memories. Although I had not talked with her in years until recently, while working on the Andrews family tree, I will miss reminiscing about the family with her. Your cousin, Shawn Pearson

“ Gail and Brenda, I want you to know that I am thinking about you. I have such fond memories of your mother at the bank. Whenever I visited Umatilla I could always count on her to be at the teller window. She always made me feel like I was "home". Sorry to hear of her passing. With love, Daisy

“ Dear Family and Friends of Joyce: I have known Joyce many years and first met her at Classique Bowling alley where we bowled in the same league for many years. She also joined the Bunco Club and had a lot of fun playing that. We always enjoyed being with Joyce as she was such a nice person, lots of fun and always upbeat. We shall all miss her very much.
