“ To the family & many friends of Mary Ellen Beard: I am so saddened & sorry for your loss! I didn't find out until this year of her passing. Mary Ellen was a sweet & caring person! She always said I give the best hugs, when I saw her out at Lakeview. I went out there last week & yes, I thought of her! I think of her often! I will cherish the last hug I gave her, last year (when I thought she was getting better!) Back when I was better! Hold on to & cherish the happy times you had with her, throughout the years together. And be thankful for having Mary Ellen in your lives . . . Sending you all a giant hug! Cyndi
