“*Mary, so sorry to hear of the loss of your mother. There are no words that can take away the empty space that no one but a mother can fill. Lost mine in 2003. Thinking of you, Barbra*

“*Mary, It has been a long time since I have seen you, but i wanted to leave you a note to let you know how sorry I am for your loss. A mother is someone who can not be replaced by anyone else. Mine passed 3 years ago and still have days I struggle with her not being here. If ever need someone to talk to who understands give me a call or a text. Joy*
