“ *Aunt Mary Ann was a loving, kind woman and I loved her very much. I have very fond memories of her growing up as a child. Spoke with her by phone a few months ago and she was so happy to talk with me and Robert, she called him Robbie. I know you had a great homecoming with you reached those pearly gates with all your loved ones! You will be missed deeply.*

“ *Mary was a great aunt. I had such a wonderful time growing up with all of her kids. I told her when I talked to her a few months ago that I would come to see her this summer. I know that she is in heaven and was met by Pete, Harold and her sisters. I will miss her very much.*
