“ *My condolences to the Coffey family. The Sparkes and Coffey families go way back with many fond memories to share and think of often. Jean and Carl were my god parents and I always looked forward to visiting the family on our many summer trips to Vermont. You'll never find a nicer family and I'll always have a special place in my heart for Jean, Carl, Sharon, Mike, Cathy, Patrick, and Kelley. Our prayers are with the entire extended family during this difficult time.*

“ *Growing up a teen in Leesburg was not easy. Moving to a new town for high school was difficult but meeting Kelley was a highlight of my high school years. Mama and Papa Coffey took us teenagers under their wings and made us always feel at home when we were at their house. I spent many days and nights at their house in Leesburg. I hope that knowing that Ms Coffey affected others in such a positive way will bring her family comfort during this difficult time. Hugs to all.*
