“ Dear Croom Family, My name is Winter. I am writing to give the family my condolences. I also live here in Sumter county and volunteer in the community. In my experience of losses and others I speak to certain Scripture bring comfort. I think about these whenever I think of my loved one. They are John 5:28-29 and Acts 24:15. Revelation 21:34 reminds me that one day no will have to worry about ever losing a loved one, because as it says there will be no more dying. My condolences.
