“ We worked with Mary at Citizens National Bank of Leesburg many years ago and saw her periodically round town. She was just the sweetest person. Our sincere condolences to the kids and rest of the family. Take comfort that we will see her again in Paradise.

“ I asked Chief Cain to pass along a message when I could not find this site but glad to repeat again. My wife and I moved to Maugans Ave., Leesburg in 1973. Our first child was born in 1974 and our second in 1976 while we resided there. Mary lived just a couple of houses down and we entrusted her to babysit our babies. She had the most beautiful smile and personality and we adored her. We moved in 1978 but kept in touch with her through her employment at Besco owned by the Braun family. Doug Braun is my longest continuous friend as i first met him in 1959. He had great praise for Mary. My wife and i saw Mary at Cracker Barrel a few months ago and even though her disease had taken some strength from her the first thing we saw was that beautiful smile and great attitude that all was great. My wife and I were out of town at her passing but when I returned on Sunday, my wife is still our of town, I read with great sadness of her passing and immediately called my wife. The first words she spoke was "Mary was on my mind this week" and then i got chill bumps because i told her "Mary was on my mind also". No one can tell me there is not a divine being. While my wife and me are sad we do have some peace knowing that she is finally at peace. Love, Tom and Ann Brooks.
