“ What a beautiful video of Mary. Thank you, Bob, for sharing her life through photos on the Beyers website. Mary was a kind, good and gentle soul to all she met (fruits of the spirit). I'll miss her but we will all be together soon. Love, Susan

“ I loved our Mary Gore Coleman from when i went to Burgin in 6th grade. Everyone loved Mary Gore because she was so sweet and kind to everyone. Her parents were so nice that it was always fun to go to her house. We were all sad when they moved to Leesburg and she wasn't with us for our senior year, cheering on the squad as she had been in junior year. Our class has had reunions almost every 5 years since we graduated in 1955 resulting in us remaining exceptionally close. Mary and Bob came to KY to attend most of them. There aren't a lot of us left but the ones who are will miss Mary beyond words. She was our close friend and we loved her. We adopted Bob as an honorary classmate many years ago and will keep him close to us - as we want and Mary would want. With enduring love until we meet again. Sallie Terrell
