“*Mary Jane was my best friend "My Wifie". I met her when I got stranded here back in 2006 or 2007. She was the first person that made me feel welcoe in Florida. Even though we hadn't spent much time together since I moved down to Daytona we always talked on the phone. I had just talked to her 3 or 4 days before her passing. I wished she would have told me she wasnt doing well so I couldve come to see her. " Wifie you will forever be in my heart and pray you will always be looking over us." You are a true angel and will be forever missed. Rest In Peace my love.I miss you more than you will ever know.*
