“ I wish to express my sorrow for the loss of Helen to her children. They have been blessed with a charming and witty mother whose grasp of living provided a loving foundation for all who knew her.

“ It was nice to know Helen and some of her family. The last time I saw her in hospice, before I left, she waved me over to her bedside and just had to run her hand through my beard one more time. God Bless and we know you are having a good time with those who have gone home before you.

“ My dear Grandma was the best Grandma ever! I will always keep her in my heart and thoughts. I love her so much and I am so happy that I got to spend her 90th birthday with her in Florida. She means so much to me and so many other people - she will always be missed and loved forever. She is with my mom now and I know she is laughing and talking with her all of the time. Her loving granddaughter, Tammie

“ Even though I didn't get to spend much time with Aunt Helen, I enjoyed the time I did have. She made us feel so welcomed when we visited her in Fort Wayne. She was small in stature, but big in heart. We all rejoice that she is in a better place and free of pain. Much love to everyone. Our thoughts and prayers are with you all.
