“ *John and I would like to extend our deepest sympathy to Bill. We were lucky enough to have met Bill and Mary a couple of years ago. Never before did we met such a sweet couple. I still remember them sitting on a bench in their back yard holding hands while we were messing in their trees. It touched both our hearts. She will be greatly missed and lovingly remembered.*

“ *I met Mary and her husband Bill through my parents living two homes down from each other. Mary was such a great blessing to me and I regretfully never told her what a huge difference she made in my life. I will always cherish the uplifting, encouraging and inspirational conversations I had with Mary and her best friend/husband : Bill. They gave me a book called celebrate yourself which I'll never part with, it was food for my soul, Thank you. Ms Mary will be greatly missed and thought of often. Say hi to Jesus for me, Love in Christ, Melissa M.*

“ Having Mary and her husband Bill as neighbors has been a wonderful addition to our lives. Mary with her sweet, gentle spirit and always a smile on her face would always make us smile. We could always see her working in her flowers which were always beautiful because of her tender loving care. Mary we will miss your smile and the kisses you blew across the lawn. We know heaven is a more beautiful place because you are there. Jack & Vivian S.

“ When Hazel and I moved into the Villages, back in 2001, it didn't take long to know we had good neighbors just down the street. Mary and Bill were out working in their yard almost every day, making it one of the best yards on the block. And they always gave a warm wave and friendly smile when saw you, and they made it a point to see you, as good neighbors do. It was a pleasure to stop over to say hello to Bill and Mary when ever we could. The conversations were short but uplifting. And when we left, I always got a hug from Mary. She will be warmly missed and remembered.
