“ Dear John & Family,

My name is Winter. I wanted to give my condolences to you and your family for the loss of this dear one. The account found at John 11:39-44 brings me great comfort by what Jesus did for Lazarus. Christ promised to do the same for others at John 5:28-29. My prayer is that God gives you the same comfort by means of His Word and promises. I am sorry.

“ We had the pleasure of working with Ms. Mary for many years at Hallmark. We will always remember her stories that kept us laughing. (Especially her JC ones) She was a one of kind lady. She often spoke of her family members so much that we all felt like we knew them as well. We will all miss her dearly but have comfort knowing that she is with the love of her life JC. Our condolences go out to her family.

“ Our hearts are saddened at the going home of our wonderful sister. The "going home" though is a very happy thought in our sorrow. We will always remember her for the great love she always had for our Lord and Savior, and her constant desire to read the Bible to learn more of him. We are comforted greatly by the sure knowledge that she is now in her Saviors very presence. Amen
