“ *My condolences on the loss of your lovely mother. I truly enjoyed and appreciated our time together as we came to enjoy our common interests. I know one of her highlights most recently was the trip to Israel to experience the Holy Lands. It was her strong faith that carried her through life and this experience brought such deep pleasure.*

“ My thoughts and prayers go out to Pam and her family. Beth was just the sweetest person and even though it had been many years since I did her hair, I thought of her often. She was one of my mom's favorite customers and she always looked forward to Beth's appointments. To be absent from the body is to be present with the Lord.
