“Ernie, Flo and all the family - so very sad to hear of Miss Mary's passing. She was a great caregiver, always took care of "us kids" even though we were grown! She will be missed.

“ *Grandma, it's been literally years since you pass, but not a day goes by that I don't think about you. I love you and I miss you so much. Life's only gotten harder since you passed. The family's fallen apart and I'm in dismay almost every day. I wish you were here, I wish you could've seen me graduate this year, I wish you were still here to talk with me. I love you dearly. It's so hard to say goodbye...*
