

Mary Joan Price

January 16, 1939 - November 7, 2017

Mary Joan ("Joann" or "Jo") Price was born in Orlando, Florida on January 16, 1939. She left us to join her sons, and the love of her life on Tuesday, November 7, 2017. Jo is predeceased by her four sons, her husband, and her parents. Her survivors are her daughter Desiree, son-in-law, Chester, and her three grandchildren, Emily (26), Kelsey (25), and Christopher (22), her sisters Judy (Dick) Whitted, Jeannie Phillips, Deedee (Jeff) Johnson, her brother David (Tina) Weaver.

Jo, "the strongest woman I ever knew," spent every waking moment caring for Ted, her sons with Duchenne Muscular Dystrophy, or "following" the activities of her grandchildren. She was a perfect mother and a very loving, devoted wife. Jo enjoyed being the life of every party. She was looking forward to celebrating 60 years with the love of her life in April of 2018. The family invites you to join us for a Celebration of Life on Saturday, November 18, 2017 at 11:00am at the Price home. You are welcome to bring a dish, a flower, and/or a story to share.

“ *Dear Dee and Family,
So sorry that I was out of town for your Mom's service. I only met her a few times after your Dad went to his heavenly home, but I immediately loved her!!! Praying for you all!!!

“ *Aunt Joann, you always were fun to be with and you and Ted always made me laugh. We didn't get to see each other very often, but it was always fun when we did. I will miss you.*

“ Jo and I went to W.R. Boone together in 1956-57 in Orlando, FL. We used to pool our money together to ride around in my mother's car. Back then gas was maybe 25 cents and we might have had a dollar all together. Laws were not as strict and traffic not like now. Didn't have a license or insurance, didn't even know we needed one. Had lots of fun and laughed a lot. Lost contact when I married and moved but finally made contact again after years of life changes. Jo and Ted with my husband and I went to our 50 year high school reunion. We talked a lot visited a lot and caught up with each other. I am so thankful for the memories and our friendship. Have a beautiful celebration on the 18th for a most beautiful person and friend as she will be missed. Love and prayers to all. Pat Coats

“ I don't know quite sure how I'll live the rest of my life without my big sister! We've been close for 77 years. I remember growing up with her and we were inseparable. We loved each other very, very much and it was just the two of us until our younger sister was old enough to join in with us! The three of us all had a very close BOND!!! Joann was the Strongest Woman I've ever known and Beautiful!!! I am so proud to know she was my Sister!!! My husband loved her and we both loved and miss Ted.
