“ *It was always a joy for me to hear you speak to your wife all throughout the day from work. To witness a man love and cherish his wife so much, is a gift. I pray you know that she felt loved by you so dearly. That is the greatest gift a man can offer his wife!*
Sincerely,
Cathleen

“ I am shocked and saddened on Angie's passing. I had been working with her with regard to her liver issue and coaching her regarding her visits to the Mayo Clinic in Jacksonville, Florida. I was able to share my experience having received a liver transplant last year. We were neighbors and became friends over the past months. I have offered my prayers for Angie and her husband Dick in this difficult time.
