“ *Having Phil as my best friend in high school, I felt like Mary Elizabeth was my second mom. And boy did she put up with a lot from the two of us and always seemed to do it with such grace. Dr and Mrs. Sharp always treated like people and not like kids, I always thought that was so cool. And I never saw her without a smile. I'm thinking of all of you during this time and sending you prayers. -- Mitch*

“ *Dear Uncle Vance, Holly, Shelly, and Phil, We are sorry for the loss of such a wonderful woman. She always seemed to want to make the most of the time she had with the people she loved. She had such a beautiful smile and a sparkle in her eyes. We have so many great memories of the times she visited Illinois as well as our visits in Tennessee and Florida. We are grateful for the times we had and hopeful that your memories will comfort you. Love, Shelly and Mead*

“ Mimi will surely be missed. I will never forget her hospitality to me and my kids when we needed a place to stay on a trip to Memphis. She made us feel so welcome and comfortable. We felt like family and she was even down on the floor playing with my girls. We had great conversations and she was definately proud of her family.
