“ Dearest Doc, You were so very loved by Mary. You gave her the greatest gift any husband could provide his wife; tender loving care, companionship and protection till the very end. Karen, Kevin, Kenny and Chris, Your mom loved and enjoyed you and your families! I will always remember her full of joy and taking pictures of everyone at family events. Your love and care of her these last few weeks was extraordinary. Dearest Mother Mary, So many of us regarded you as our second mom... what will we do without you? Your wit, your insight, your love and example leaves us with a great loss. Comfort comes only in knowing that you are at a great party right now with Kim and many others you loved. I miss you and love you.

“ Dear Doc and family, my heart goes out to you all during this difficult time. Mary was one of the strongest, kindest, funniest persons I knew. You always knew where you stood with her. Her honesty was refreshing. Memories of our time together are ingrained in my heart and mind. We are a band of women originally from Long Island, called "the magnificent seven" and remained loving friends for almost 40 yrs. What a blessing to have had Mary in our lives. She is God's gift that keeps on giving. Love to you all, Joanie
