“ You have our deepest sympathy at the passing of Mary Walker. She was one of the sweetest ladies at Lake Harris. My mother, Marion Lichtenstein was Mary's roommate for the last two years of Mother's life. Mary kept a close and constant watch over Mother's care and would "update" us whenever we came to visit. My mother could not have had a more kind and gracious friend at her end of life than Mary Walker. We are forever grateful for the kind and sharing person she was, and we will long remember her.
