“ June: My heart goes out to you in your loss of Moe. Its amazing how time flies, and we have reached the "golden age". Our paths haven't crossed in a long time, but Reading the Daily Sun and Moe's obituary brought Dixon Street to the forefront. You've lost your soulmate and I pray that the good Lord will help you to carry that burden. I will keep you in my prayers. God bless you.

*Sincere sympathy. Regis*

“ *I so sorry for your loss, Moe always had such a presence as did the entire family to me, you were the fabric of what families are. June you were always so kind to all the rascals in the neighborhood and it left every child to be better because the Paquette' are just good people. I remember wonderful things of you all and of course my best friend Mike.*

*I wish you nothing but fond memories and the love that is felt by so many in the world and live that Moe and you all changed. I think on good thoughts and wishes to you all. You are in my prayers. Jim Poisson*
